\*Derived from "Agriculture's Capacity to Produce," Agricultural  
Information Bulletin 88, U. S. D. A., B. A. E., June, 1952.

Our population is going up at the rate of 7,000 a day—2½ million a year! This fact calls for more meat—lots more—if we are to keep our living standards high.

A U.S. Dept. of Agriculture survey assures us that the land now being worked can be made to support enough hogs, cattle and sheep to provide 159 pounds of meat per person in 1955. We can be optimistic about reaching even higher production goals, if need be. Today, for example, the average farmer raises enough meat to feed 22 people—against 9 in 1920. Each year we

have far more of the key equipment needed to raise more livestock and to help offset the shortage of farm labor—pick-up balers, corn pickers, manure loaders, and field-forage harvesters.

The increase in livestock called for in the chart above is both an opportunity and a challenge to farmers and ranchers to keep America's food supply one of the best in the world. And, while you do your job, we pledge our continued efforts to provide the best possible markets for your products—both now and in the years ahead!

# THE EASTERN NATIONAL LIVESTOCK

---

Livestock is an integral and vital part of the economy of the eastern part of the United States and as eastern states have industrialized and urbanized, their incomes and well-being have risen. Their agricultural economy has become largely tied to that of animals and their products. The Eastern National Livestock Show has been developed to accelerate these trends toward a livestock economy in the East and to improve both the quality and quantity of livestock production throughout the Eastern States. Naturally, any industry serving the livestock interests is also benefited by any stimulation of livestock production.

Back in 1929 the old Baltimore Livestock Show was held at the Union Stock Yards in Baltimore. Some fifty or sixty livestock producers, commission men and meat packers worked tirelessly to develop a real livestock show here in the east. The quality of livestock improved along with the quantity of production . . . thus the advent of the Eastern National Livestock Show seven years ago.

One-fourth of the nation's consumers live in the seven states supporting the show. To help feed these consumers, the Show has been developed to stimulate livestock production in the East and especially in the states from which its greatest support comes, namely: Delaware, Maryland, New Jersey, New York, Pennsylvania, Virginia and West Virginia. However, we have interests from the New England States and as far south as Florida as evidenced by memberships and exhibitors in both these widely separated areas.

Within seven years the Eastern National has made tremendous strides and is now one of the nation's leading livestock shows, sharing the spotlight with the shows at Chicago, Denver and Kansas City. Exhibitors are attracted from twenty-seven states, including Wyoming, California, Texas, Colorado, Maine and Florida, bringing with them the most superb livestock in the country. Champions selected at the Eastern National have gone on to retain their championships at the International at Chicago. Approximately 3,000 head of livestock are exhibited at the Eastern National.

As the Eastern National has grown, so has the interest in the livestock industry in the East. The Eastern National is contributing much to the strong trend toward a livestock economy in the territory it serves. It provides a medium of stimulus to the greater production of meat for Eastern consumers and also provides a special stimulus to the improvement in the quality of the animals. **THIS IS IMPORTANT!** With the industrialization and increase in population on the West Coast, more midwestern meat is going west, leaving the East more dependent on its own meat production. The quantity of eastern meat is increasing and the quality is improving. Data are fragmentary but indicate a great expansion of the livestock industry throughout the Eastern area.

The youth of the nation play a big part in the livestock industry. Therefore, the Eastern National Livestock Show is an investment in the future. It has become the culmination of all 4-H Club and F.F.A. livestock endeavors, not only in Maryland, but also for many exhibitors in adjoining states. The 4-H Clubs are the largest rural organization

*Continued on next page*

in the world. These youngsters look to us for help and inspiration. The Eastern National includes the only completely rounded out livestock and meat judging contests in the East, both intercollegiate and 4-H.

\$35,715.00 in premium money is offered to those competing at the Eastern National. Of this amount, the Maryland State Fair Board awards \$28,827.00 to the Eastern National and may be used for premium distribution only. The balance is offered by the Breed Associations. Funds for operating costs have been obtained through memberships to the Show and contributions to our Sustaining Fund by those, who, realizing the importance of the Eastern National, have lent their full support and cooperation to keep what we have accomplished—one of the finest livestock shows in the country.

The Eastern National is held at the Maryland State Fair Grounds because of its excellent facilities and accessibility to downtown Baltimore where excellent hotels, restaurants, theatres and department stores are located.

---

## AN EXPRESSION OF APPRECIATION

---

Through the cooperation of the Maryland State Fair Board, the Eastern National Livestock Show is able to offer a total of \$45,063.00 in premiums to be distributed at the 1953 Show, November 14 through 19 inclusive, at the Maryland State Fair Grounds, Timonium, Maryland.

It is gratifying to announce that \$26,127.00 of the total premium money is awarded by the Maryland State Fair Board for premium distribution at the Eastern National Livestock Show and \$1,700.00 for the Spring Market Hog Show to be held in the Spring of 1954. The State Fair Board is composed of Granville H. Hibberd, Chairman; Louis McL. Merryman, Vice-Chairman; Edward F. Holter, Secretary; Lloyd Balderston, III, Roy C. F. Weagley, Harry Rieck, Robert V. Norris, Olin Davis, Sr., and R. Nelson Phelps, Executive Secretary.

We also wish to express our appreciation for the contribution of additional premium money to the 1953 Show through the various cattle and swine Breed Associations and also to express our thanks to all those individuals and other organizations that have contributed their efforts towards making this Show possible this year.

# AN INVITATION TO BECOME A MEMBER

---

The Eastern National Livestock Show, Inc., is composed mainly of people who are interested in livestock development in the eastern states in particular and agriculture in general. The fact that the Eastern National is extending its base of influence, necessitates a solicitation for increased membership to place it on a sound financial basis and assure its continuing success.

Particularly, every breeder and every business man who is located within the scope of influence of this Show should become a member of the Eastern National and help to support it. In fact, any friend of agriculture and the livestock industry should want to become identified with this great Show.

Therefore, if you have not already become a member of the Eastern National Livestock Show, Inc., we invite you to join with us in this worthwhile project and shall appreciate your check for \$25 to cover membership dues. We also solicit those who can afford to do so, to make as generous as possible subscription to its Sustaining Fund. Don't wait for a personal solicitation. Draw your check and send it to Maryland State Fair Grounds, Timonium, Maryland, or if you are visiting the Show you can leave it at the Show office.

I know that it will be a source of real satisfaction to you to be associated with this show, and needless to say, we shall appreciate your support very much.

Signed:—

John H. Royer, Jr., General Chairman  
Membership Campaign Committee

# UNION STOCK YARD COMPANY

**BALTIMORE 23, MARYLAND**

OUR BUSINESS is the link between the **packer** and **producer** of livestock.

THE SERVICES WE RENDER are important. This is reflected in the ever-increasing daily consignments arriving at the Yards to be sold by commission firms.

Ship your livestock to a market that is served by competent commission firms; where there are buyers for all classes of livestock regardless of type or finish.

THERE ARE GREATER NET RETURNS from a market where there is daily competition among many local and out of town buyers. LET US PROVE IT TO YOU!

# Watch **V-C** grow meat

and  
milk

**Your dairy cows** greatly increase milk production and your beef cattle rapidly put on valuable weight, when V-C Fertilizer helps your pasture to produce big yields of low-cost, high-quality grazing.

Your V-C Agent can supply you with the *right* V-C Fertilizer for your particular pasture program. This better fertilizer contains the plant foods your grazing crops need to make quick, vigorous growth, rich in proteins, minerals, vitamins and other nutrients.

Your livestock harvest this succulent, nutritious, appetizing, green feed and convert it into low-cost, high-quality milk and meat.

You get more and better grazing—and extra grazing days, early and late—for extra profits. Start now to use V-C Fertilizer on your pastures!

**SAVE  
THREE WEEKS  
BARN  
FEEDING**

*Fertilize Your Pastures Now With*

**DAYCO GRANULATED**

**PRODUCE HEALTHIER,  
MORE PROFITABLE LIVESTOCK**

By fertilizing your pastures now, you hurry up the early bite of mineral-rich grasses. You'll be able to save costly barn feeding by getting your livestock out of the barn up to three weeks earlier this Spring and keeping them out weeks later in the Fall.

By using Davco Granulated, you make the job a lot easier on yourself too. You see, Davco is put through a special granulating process that forms it into porous individually-hardened particles. So, dusting and caking are a headache you can forget—because Davco Granulated slides “free and easy” through the drill and stays right where you put it. Every part of the pasture gets just the right amount of the right fertilizer—Davco Granulated.

## TOP BREEDING . . .

### **Demands Top Quality Feeding!**

YOU can always be sure your livestock are getting the best quality feed available when you give them Southern States Feeds. Southern States feeds are made entirely of quality grains and ingredients . . . ingredients purchased according to rigid specifications and formulated to provide the greatest feeding value at the lowest possible cost.

LOOK at a bag of Southern States feed. Read the formula on the tag or ask any Cooperative Service Agency to see the formula. There are no secrets about it. And you'll find no wasteful "fillers" or hidden ingredients in the feed either. You know what you are getting in a bag of Southern States feed . . . you **know** you are getting the best.

# Intercollegiate Meat Judging Contest

*Superintendent*, Professor Malcolm H. Kerr, Department of Animal Husbandry, University of Maryland, College Park, Md.

TUESDAY, NOVEMBER 17, 1953

---

**Awards:** The awards will consist of a trophy, plaques, and ribbons and results will be announced the evening of the contest.

The National Live Stock and Meat Board Trophy—appropriately engraved—will be awarded to the team making the highest score in the contest. To retain it permanently a team must win it three times.

A special plaque will be awarded to the high team of the contest by the management of the Eastern National Livestock Show.

Plaques will be awarded to the high scoring team in each division by the following organizations:

Beef Judging—Pennsylvania Railroad.

Pork Judging—Maryland Swine Producers Association.

Lamb Judging—American Meat Institute.

Beef Grading—Eastern National Livestock Show.

Lamb Grading—B. & O. Railroad.

Appropriate plaques will be awarded by the National Live Stock and Meat Board to the individual high man of the contest and to each of the high ranking individuals in the judging of beef, pork, and lamb, and in the grading of beef and lamb carcasses. Ribbons will go to each of the five high individuals in each class and to each of the ten high individuals of the entire contest.
